CBC's Top-Selling Agents and Distributors Awarded at Surfaces

Company honors 25 firms for 2010 achievements

COMMACK, NY — CBC Flooring's top agents and distributors were honored at the company's annual awards dinner, held recently during the Surfaces trade show in Las Vegas.

New this year was the split of the "Most Valuable Performer" award between Distributors and Agents. Michael Halebian & Co. Inc. of Carlstadt, NJ was named distributor MVP and Eco Agents of Cascade, ID and Design Materials of Pasadena, CA shared the agent MVP award.

Other companies receiving top honors for overall sales in 2010 included Spartan Surfaces, which achieved the first platinum level in sales, armin maier & associates, inc. and Contract Surfaces.

"We're proud to recognize these companies and all the others for their ongoing support of the CBC Flooring brands," said Jeff Collum, CBC's director of flooring. "As we continue to establish ourselves as the premiere single source supplier with the best collection of eco-friendly brands in the industry, our agents and distributors are key in this effort."

Each of CBC's five flooring brands offers beauty and ease of installation and is engineered to wear well in high traffic healthcare, educational, corporate and retail settings.
